

7310.6: CYBER SECURITY PROTECTION MEASURES: EMAIL

Email is essential for Millard Public Schools. Due to its potential to introduce security threat(s) to our network and systems, staff and students are expected to use common sense when sending and receiving emails using Millard Public School accounts. The District will administer and secure the Millard Public School's email system so that it allows staff and students to be productive while at the same time working to prevent email-related security incidents.

The Superintendent or their designee will implement procedures and systems necessary to meet the requirement of this rule.
