

1425: COOPERATION WITH NON-PROFIT AGENCIES

Individual schools may choose to participate in fundraising activities to benefit non-profit organizations, provided that such cooperation does not restrict or impair the educational program and is consistent with the standards, criteria, and limitations of district rules 1115.1(I), 1340.1(II), 3150.1, 6700.1(II)(A)(5)(a)-(i), and 7305.1(III-IV), which are incorporated herein. Permission to conduct such an activity must be obtained from the school principal, except for any activity that is associated with, connected to, or requires a “special project” as that term is defined in District Rule 3614.1 must be pre-approved by the Superintendent or designee.

The District does not by this policy create or establish an open or public forum and reserves the sole and absolute right to determine the acceptable non-profit activities conducted district-wide. The only authorized district-wide campaigns for solicitation of funds from employees and students of the District will be the United Way campaign and the Millard Public Schools Foundation campaign.
