

3613: CONSTRUCTION PLANNING - MASTER FACILITY PLAN

The District shall develop and maintain a Master Facility Plan which shall include Standard Facility Guidelines and Facility Depreciation Plans.

The Standard Facility Guidelines shall contain general guidelines for planning construction and/or renovation projects for elementary schools, middle schools, and high schools in the District.

The Facility Depreciation Plans shall contain general guidelines for the replacement of major depreciable items in the District's buildings and on its grounds. These items shall include roofs, parking lots, sidewalks, irrigation systems, tracks, HVAC systems, and other such depreciable items.

The District may employ the services of consultants or other professionals to assist with the development and maintenance of the information in the Master Facility Plan.
