

4315.2: TUTORING

- I. A teacher may not arrange to tutor during the school year for payment of a fee or other compensation for any child enrolled in his or her class.
- II. Teachers who accept outside tutoring engagements must make their own arrangements with the parents or guardians for fees, if any, to be charged.
- III. No tutoring for which a teacher receives a fee or other compensation will be allowed in a school building.
- IV. No District supplies, equipment or materials shall be used by teachers in their outside tutoring engagements.
