

5110.1: K-12 TRANSFER OF STUDENTS WITHIN THE DISTRICT

I. K-12 Within-District Transfers

A. A parent of a kindergarten through twelfth grade student who is currently enrolled in the District may submit a request to have his/her student attend a different school or special program during the current or next school year. Such requests shall be made in accordance with the following procedures.

II. Student Eligibility for Within-District Transfers

A. Any K-12 student whose parents reside in the District attendance area.

B. Any K-12 student who is currently attending the District under Option Enrollment.

C. Any K-12 student who has been accepted into a specific building under the Open Enrollment provision as long as the request is for the subsequent year in which enrollment was granted.

III. Limitations and Restrictions on Student Eligibility

A. Students will not be allowed to transfer to another school during suspension or expulsion. A student's disciplinary record will be considered and students with extensive disciplinary records will not be considered for transfer unless it is determined to be in the best interests of the student or the school.

B. The within-district transfer policy will not apply to or alter a student's mandatory reassignment.

C. If the student is in a special education program, the approval recommendation of the Director of Special Education will be based upon the student's individualized education program and educational needs; class size; related service needs; transportation arrangements as may be required by law; the allocation of specially trained staff and personnel; facility issues; and the allocation of equipment or materials necessary to provide an appropriate education program.

D. If the student receives ELL services, the recommendation of the Superintendent or designee will be based upon the student's educational needs and the allocation of specially trained staff and personnel.

IV. Conditions of Transfers

A. Student Withdrawal from Special Program: Any student approved for a within-district transfer to attend a special program in the District who subsequently withdraws from participation in such program shall have his/her within-district transfer approval revoked. Such student shall be reassigned to the school he/she would have attended if the within-district transfer had not been approved.

B. Students of parents who move from one school's attendance area to that of another within the District during the school year may continue attending the original school for the remainder of the current school year and start

attendance at the assigned school with the commencement of the next school year. If the parents would like the student to remain at the original school to complete the level a Within District Transfer Request Form is required. Approval of such a Within District Transfer Request will be in accordance with the factors outlined in Sections IX and X of this Rule.

C. Once a student is transferred to a particular school, the parents need not re- apply unless they want the student to transfer back to the student's home school or to another school at the same level (elementary school, middle school, or high school) in the District.

D. Within-district transfers are only for the educational level (elementary school, middle school, or high school). As the student moves from elementary into middle school or from middle school into high school, another within-district transfer must be filed. If not, the student will attend their assigned school.

E. The Superintendent or designee may reassign a student should it be determined that circumstances justify such reassignment.

F. Once a transfer is approved, every effort will be made to make the transfer permanent; however, the District reserves the right to reassign transferred students back to their home school.

G. Unless special safety, health, or program issues are involved, no student will be granted more than one transfer per school year.

V. Transportation

A. Transportation for students who transfer within the District must be provided by the student's parents or legal guardian unless as otherwise required by law.

VI. Within-District Transfer Applications

C. Only one Within-District Transfer Request Form may be completed at any given time for an individual student.

VII. Determination of Schools Open to Within-District Transfers

A. The Superintendent or designee will recommend which schools, programs, grades or classes are to be considered open to within-district transfers.

B. The Superintendent or designee will base recommendations on available space, curriculum, class size, personnel and staffing requirements, facility issues, the allocation of equipment and materials, and anticipated growth for the school, program, grade, or class.
