

5400.6: STANDARDS FOR STUDENT CONDUCT

I. Introduction.

A. Policy Statement. Every District student has the right to an education. The following Standards have been instituted to ensure that right within the context of an orderly and effective educational process. Each student and their parents are required, on their own, to become familiar with these Standards, and to help provide an atmosphere conducive to learning.

B. Grounds for Exclusion. A student may be excluded from school if there is reasonable information that the student has committed a prohibited act listed below while on District property, in a vehicle owned, leased, or contracted by a school being used for a school purpose or in a vehicle being driven for a school purpose by a school employee or by his or her designee, or at a school-sponsored activity or athletic event, or any other place where the governing law permits the District to discipline students for prohibited conduct.

C. Exclusion from School Grounds and Activities. A student who is excluded from school for a suspension, expulsion, or emergency exclusion shall not enter upon District property, or ride in a vehicle owned, leased, or contracted by the District being used for a school purpose or in a vehicle being driven for a school purpose by a school employee or his or her designee, or participate in or attend a school-sponsored activity or athletic event. Expelled students and students suspended for ten (10) school days or more may enter upon District property for the sole purpose of attending alternative education at a location and time designated by the Director of Student Services.

D. Length of Expulsions. Unless specified otherwise within these Standards, the expulsion of a student shall be for the remainder of the semester in which it took effect unless the misconduct occurred within ten (10) school days prior to the end of the first semester, in which case the expulsion shall remain in effect through the second semester, or within ten (10) school days prior to the end of the second semester, in which case the expulsion shall remain in effect for summer school and the first semester of the following school year. Neb. Rev. Stat. §79-283(2).

The principal of a school or the principal's designee shall notify as soon as possible the appropriate law enforcement authorities, of the county or city in which the school is located, of any act of a student described in Neb. G. Sanction to be Followed. If minimum and maximum sanctions are not specified for a specific prohibited act, the specified sanction shall be imposed.

H. Expulsion as Sanction. Expulsion is specified as a sanction for particular conduct because the District's Board of Education finds that the type of conduct for which expulsion is specified has the potential to seriously affect the health, safety, or welfare of the student, other students, staff members, or other persons, or to otherwise seriously interfere with the educational process. Neb. Rev. Stat. §79-262(1).

Disciplinary procedures for students who have disabilities as defined by the Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973 shall be subject to the disciplinary procedures set forth in District Rules 5400.2 and 5400.3 and applicable federal and state law.

J. Students in Pre-Kindergarten through Second Grade. Students in pre-kindergarten through second grade shall not be suspended from school, and such students shall instead be subject to disciplinary measures inside the school as an alternative to suspension. Provided however, if such a student brings a deadly weapon as defined in subsection IX (G) of this Rule, on to school grounds, or in a vehicle owned, leased, or contracted by the District being used for a school purpose or in a vehicle being driven for a school purpose by a school employee or his or her designee, or to a school-sponsored activity or athletic event, then the student may be suspended in accordance with subsections II(D)(1) through (4) of this Rule as may be applicable.
