

5450: STUDENT ATTIRE AND GROOMING

Student attire and grooming should be clean and neat. If a student's attire or grooming is disruptive of or interferes with the educational process, creates a threat to the safety or health of the student or others, or is in violation of any governing laws or District policies or rules, it will not be permitted in school. Ideally, the decision regarding attire and grooming will be left to the good judgment and responsibility of the student and the student's parents.
