The District shall provide equal access or a fair opportunity to, and shall not discriminate against, any District secondary school students who wish to conduct a non-curriculum related student group meeting on school premises and during non-instructional time, on the basis of the religious, political, philosophical, or other content of the speech at such meeting.

II. Rules Governing Applications for Equal Access by Non-Curriculum Related Secondary School Student Groups.

A. District secondary school students who desire to use District premises for a non-curriculum related student group meeting, must file a written application on forms provided by the District, with the building principal. The application shall include the name of the student group, the specific purpose of the student group, the proposed activities of the meeting, and the names of the students who are authorized on behalf of the student group to submit the application, who will be responsible for any damage to school property, and with whom the building principal can communicate with regard to the applicable rules and any violations thereof. All such applications must be initiated by District secondary school students.
