

5900: SAFETY AND SECURITY

The District will provide students with a safe, secure, healthful, and orderly school environment that is supportive of quality learning for all students. The District, and its schools, will implement procedures in a safety and security plan that addresses the safety and security of students, staff, and visitors; provides for the uniqueness of individual sites; and is evaluated at least annually by a District safety and security committee. The schools' safety and security plans will be reviewed annually by one (1) or more persons who are not employees of the District and who are not on the District Safety and Security Committee. The Superintendent or designee will be responsible for safety and security procedures in the District.
