

6100: WRITTEN CURRICULUM - MILLARD EDUCATION PROGRAM (MEP)

A written curriculum shall be developed and approved by the Board of Education. The curriculum shall be standards-driven and accountability-based. The curriculum shall be articulated PreK-12, meet district established content standards and reflect the comprehensive plan of the District. As defined in statute, the standards will align to state standards in the areas of reading, writing, mathematics, science, and social studies. The implementation of this curriculum is the responsibility of all professional staff.
