

6305: ANNUAL PERFORMANCE REPORT

The Superintendent and Board of Education believe that accountability to the residents of the school community is essential. To that end, the staff shall periodically assess and report student progress toward the accomplishment of goals. The results shall be used to plan and make needed changes so as to improve instruction for all students.

The Superintendent will ensure that an annual performance report is prepared and distributed to the residents of the District. Elements of the report shall include, but not be limited to, student academic performance, school system demographics, and financial information.
