

## **7600: ACCESS CONTROL AND VIDEO MANAGEMENT**

The Board of Education has the responsibility to maintain and protect the property of the district and to provide for the safety and security of its students, staff and visitors. To meet this responsibility, the District may utilize access control and video management systems at its facilities and in school buses and vehicles used by the District. The use of such access control and video management systems shall be subject to the procedures promulgated by the Superintendent (or designee).
