

8330: FORMULATION OF ADMINISTRATIVE REGULATIONS

The Superintendent shall implement the policies of the Board and provide for the District to meet the requirements of law. He or she shall, from time to time, formulate and enact rules and regulations for the operating of the schools of the District and District activities.

The rules and regulations shall be approved by the Board prior to the effective date of the rules and regulations.

The Superintendent may delegate to building principals and other administrators authority to formulate and establish rules and regulations for buildings and activities. The rules and regulations of the building principals and administrators shall be subject to the approval of the Superintendent and Board.

The Superintendent or his or her designee shall select the means of publication to inform persons and organizations to which the rules and regulations apply.
