Board Comments:

Patrick Ricketts stated he went to Sandoz Elementary last week and spoke to a third grade class about being a Community Member as they dive in to what a Community Member is. Mr. Ricketts said the kids asked very good questions and it was a neat experience.

Linda Poole commented that she recently listened to a speaker at a parent meeting at Millard West. A couple of parents paid for Bob Stutman to come in and speak to the students during the day and then the parents that evening. He spoke to them about drugs and alcohol not only in the Millard area, but also about what is going on across the country. The parent meeting was very well attended. Linda had a chance to meet with Mr. Stutman before the parent meeting and he had some very good things to say. Mrs. Poole stated she thinks we need to continue to focus our efforts in this area.

Dave Anderson said he had just gotten back into town from the NSBA Western Region meeting held in Bismark, North Dakota. The Western region is comprised of Nebraska and eight other states. This meeting is typically a Professional Development Process for Board members. The theme was Customization of Schools. The speaker's definition of Customization was, making changes across the board in curriculum, scheduling, grading, items that are technology related. The second day was devoted to the business of the region officers and was more of a formality. It was a good meeting and all states were adequately represented.

Casey Waughn, student representative from Millard North High, Allyson Figura, student representative from Millard West High School, and Neil Girmus, student representative from Millard South High School reported on the academic and athletic happenings at their respective buildings.

Motion by Linda Poole, seconded by Mike Pate, to approve Policy 1235 – Community Relations – Conduct on District Property, upon roll call vote, all members voted aye. Motion carried.

Committee Meeting Minutes
September 24, 2012

The members of the Board of Education met as a Committee of the Whole on Monday, September 24, at 6:00 p.m. at the Don Stroh Administration Center, 5606 South 147th Street.

Present: Linda Poole, Dave Anderson, Mike Pate, Mike Kennedy, Todd Clarke and Patrick Ricketts

Also in attendance were Keith Lutz, Ken Fossen, Mark Feldhausen and other Administrators.

Jim Sutfin and Kim Saum-Mills gave a power point presentation on Performance Based Administrator Evaluation. They reviewed the Administrator Evaluation Process which is brought back to the Board every couple of years for them to have an over view of what Millard does in their Administrator Evaluations process.

A Planner from Kansas City spoke to the Committee of the Whole on the services they offer. The intent of them being at the Committee meeting was to show the Board the scope of what they do and what they can do for Millard. They talked to the Board about the advantages of using a firm like theirs. They work with analysis, education, demographics, boundaries, capacities, staffing and more. This group can basically give Millard another point of view on how changes can be made within the District. Dr. Lutz knows schools that have used this firm and was drawn to them for help needed in Boundary changes that will have to be made.

The Committee of the Whole meeting was adjourned at 7:20 p.m.

- 1. Come up with a proposal for our next bond issue with not only the amount of the project, but also a contingency plan if it does not pass again. The contingency plan may need to include possible changes in school boundaries.*
- 2. Explore our benefit options and review our health care benefits in order to contain our costs while at the same time making sure that we remain competitive.*
- 3. Examine the assessments that we currently give, look at the number given at each grade level, when they are given, the relevancy and timing of the assessments and the time that they take away from teaching and learning to decide which assessments are needed and if any can be discontinued and whether we need to replace any with a different assessment. Are our assessments what we need for our students to be college and career ready?*

electronically transmitted through the Approved Provider shall form a contract and the successful bidder shall be bound by the terms of such contract.

The winning bidder will be required to wire a good faith deposit by 5:00 p.m. Eastern Daylight Time on the bid date (see below under “GOOD FAITH DEPOSIT AND METHOD OF PAYMENT FOR THE BONDS”).

ALL-OR-NONE BIDS

Each bid submitted must be a bid for purchase of all of the Bonds. No bid for less than all of the Bonds will be accepted by the District.

INTEREST RATE CONSTRAINTS

All bids must comply with the following conditions: (1) each interest rate specified in any bid must be a multiple of one-eighth or one-twentieth of one percent; (2) no Bond may bear more than one rate of interest; (3) each Bond must bear interest from its date to its stated maturity date at the interest rate specified in the bid; (4) all Bonds maturing on the same date must bear the same rate of interest and (5) no Bond may bear a zero rate of interest.

Each bid on the Bonds must specify the total interest cost to the District during the term of such Bonds on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the District on the basis of such bid, all certified by the bidder to be correct. The District will be entitled to rely on the Bond of correctness of the bidder. Each bid must also specify the true interest cost to the District on the basis of such bid, as further described below under “BASIS OF AWARD.”

PRICES

Bidders must specify a purchase price of not less than 99.00% of the aggregate principal amount of the Bonds, plus accrued interest to the date of delivery. Purchasers must pay accrued interest, if any, computed on a 30/360-day basis, from the date of the Bonds to their date of delivery.

BASIS OF AWARD

The Bonds will be awarded by the District to the bidder whose proposal provides the lowest interest cost to the District within the guidelines of this Notice of Bond Sale. The award of the Bonds will be made on the basis of the lowest true interest cost (“TIC”) to the District, which will be determined as follows: the TIC is the discount rate (expressed as a per annum percentage rate) which, when used in computing the present value of all payments of principal and interest to be paid on the Bonds, from the payment date to the issue date of November 16, 2012*, produces an amount equal to the purchase price of the Bonds (such purchase price being the par amount of the Bonds, plus any premium, less any original issue discount, and less any underwriter’s discount). Present value will be computed on the basis of semiannual compounding and a 360-day year of twelve 30-day months. If there is any discrepancy between

* Preliminary; subject to change.

the TIC specified and the interest rates and premium specified, the specified interest rates and premium shall govern, and the TIC specified in the bid shall be adjusted accordingly. **If two or more proper bids providing for identical amounts for the lowest TIC are received, the District will determine which bid, if any, will be accepted, and its determination will be final.** The District reserves the right to reject any and/or all bids and to waive any irregularities in a submitted bid.

The Winning Bid will be unofficially awarded by the District by telephone promptly after the bidding deadline. Upon notice of being unofficially awarded the bid, the winning bidder must immediately forward to the District and the Financial Advisor via facsimile and U.S. Mail a signed winning Bid Form (which will be generated by the Approved Provider and transmitted to the winning bidder by the Financial Advisor upon the conclusion of the bidding). **The winning bidder must provide reoffering yields promptly following the end of bidding, and in no case later than 1:00 p.m. Eastern Daylight Time on the bid date.** Following the receipt of the signed winning bid form by the District, the District will forward to the winning bidder a Bond of Award officially awarding the Bonds to the winning bidder. Such official award will indicate any adjustments that were made by the District to the maturities pursuant to this Official Notice of Bond Sale.

GOOD FAITH DEPOSIT AND METHOD OF PAYMENT FOR THE BONDS

The winning bidder will be required to wire one hundred forty-five thousand dollars (\$145,000) to the District as a good faith deposit by 5:00 p.m. Eastern Daylight Time on the bid date. The District will provide wire instructions to the winning bidder. The good faith deposit will be retained by the Issuer and: (a) will be applied, without allowance for interest, against the purchase price when the Bonds are delivered to and paid for by such winning bidder; or (b) will be retained by the District as liquidated damages if the bidder defaults with respect to the bid; or (c) will be returned to the bidder if the Bonds are not issued by the District for any reason which does not constitute a default by the bidder.

RIGHT OF REJECTION; WAIVER OF IRREGULARITIES

The District reserves the right to reject any or all bids, to waive any irregularity or nonconformity in any bid, or to take any action the District may deem to be in the best interest of the District.

BOOK-ENTRY-ONLY

The Bonds will be issued in registered, book-entry-only form, and all bidders for the Bonds must be participants of The Depository Trust Company, New York, New York ("DTC") or affiliated with its participants. DTC will be responsible for maintaining a book-entry system for recording the interests of its participants and for the transfer of the interests among its participants. The participants will be responsible for maintaining records regarding the beneficial ownership interests in the Bonds on behalf of the individual purchasers. Individual purchases may be made in denominations of \$5,000 and integral multiples thereof (provided that no Bond may be in a denomination which exceeds the principal coming due on any maturity date and no individual Bond may be executed and delivered for more than one maturity) through

book entries made on the books and records of DTC and its participants. Unless the book-entry-only system is discontinued, Bond principal and interest payments will be made by the Trustee to DTC.

STANDARD FILINGS AND CHARGES

The winning bidder will be required to make the standard filings and maintain the appropriate records routinely required pursuant to MSRB Rules G-8, G-11 and G-36. The winning bidder will be required to pay the standard MSRB charge for Bonds purchased. In addition, those who are members of the Securities Industry and Financial Markets Association (“SIFMA”) will be required to pay SIFMA’s standard charge per Bond.

INFORMATION REQUIRED FROM WINNING BIDDER; CERTIFICATE OF REOFFERING PRICES

The winning bidder must provide the Financial Advisor with the reoffering prices and yields for the Bonds it will purchase on the day Bonds are awarded upon the conclusion of the bidding. See above under “BASIS OF AWARD.” The reoffering prices and yields so provided will be printed on the cover of the final official statement relating to the Bonds (the “final Official Statement”).

Prior to the date of delivery of the Bonds, the winning bidder shall be required to furnish to the District a written certificate, dated the date of delivery of the Bonds, in form and substance acceptable to Bond Counsel: (a) stating the initial reoffering price and yield of each maturity of the Bonds to the general public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters or wholesalers); (b) certifying that a bona fide offering of all the Bonds has been made to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters or wholesalers); (c) stating the prices at which at least 10% of each maturity and interest rate of the Bonds were first sold to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters or wholesalers) prior to the sale, allocation or allotment of any Bonds of each maturity and interest rate at other prices; and (d) certifying that the price and yield at which each maturity of Bonds was sold did not exceed the fair market value price and yield of such maturity as of the sale date.

Failure to provide the reoffering prices and yields, or such certificate in a form satisfactory to Bond Counsel, may result in cancellation of the sale and/or forfeiture of the winning bidder’s good faith deposit.

LEGAL OPINION

The approving opinion of Kutak Rock LLP, Bond Counsel, in substantially the form appended to the Preliminary Official Statement, will be provided at no cost to the purchaser.

TAX-EXEMPT STATUS

In the opinion of Kutak Rock LLP, Bond Counsel, under existing laws, regulations, rulings and judicial decisions and assuming the accuracy of certain representations and

continuing compliance by the District with certain covenants, the interest on the Bonds is excluded from gross income for purposes of federal income taxation under existing laws, regulations, rulings and judicial decisions, with such exceptions as shall be required by the terms of the Internal Revenue Code of 1986, as amended, and that such interest is not a specific item of tax preference for purposes of the federal alternative minimum tax on individuals and corporations. This paragraph is subject, in all respects, to the opinion of Kutak Rock LLP set forth in the Preliminary Official Statement and the information contained therein under the caption "TAX EXEMPTION."

DELIVERY AND PAYMENT

Delivery of the Bonds will be made without cost to DTC. Payment for the Bonds must be made in immediately available funds. Delivery of the Bonds will be made on or about November 16, 2012*. Payment of the purchase price due at delivery must be made in Federal Reserve funds for immediate and unconditional credit to the District.

Part 240, § 240.15c2-12). "Permitted Omissions" means the offering prices, interest rates, selling compensation, delivery date, ratings, and any other terms required by the District to be specified in the competitive bid, the identity of the underwriters and other terms of the Bonds depending on such matters, all with respect to the Bonds.

All bidders must review the Preliminary Official Statement prior to bidding.

FINAL OFFICIAL STATEMENT; COMPLIANCE WITH SEC RULES

The District will provide the winning bidder with one electronic copy (in PDF format) and up to 50 physical copies of the final Official Statement for the Bonds at the expense of the District; provided however, the winning bidder must cooperate in providing the information required to complete the final Official Statement. The final Official Statement will be provided in a form "deemed final" by the District, not later than the

seventh business day following the date of the sale. Bidders should expect that the final Official Statement will not be available prior to the seventh business day following the date of the sale, and should not issue confirmations which request payment prior to that date. This paragraph will constitute a contract with the winning bidder or bidders upon acceptance of their bids by the District, in compliance with Section 240.15c2-12(b)(3) in Chapter II of Title 17 of the Code of Federal Regulations.

CONTINUING DISCLOSURE

The District will enter into an undertaking to provide ongoing disclosure for the benefit of the Bond owners as required by Section (b)(5)(i) of Securities and Exchange Commission Rule 15c2-12 under the Securities and Exchange Act of 1934, as amended (17 C.F.R. Part 240, § 240.15c2-12), in substantially the form shown in the Preliminary Official Statement.

CUSIP

The District will obtain and pay for CUSIP numbers for the Bonds. If an incorrect number is imprinted on any Bond or if a number is not printed thereon, any such error or omission shall not constitute cause for the successful bidder to refuse delivery of any Bond.

BLUE SKY LAWS

The winning bidder will be responsible for the clearance or exemption with respect to the status of the Bonds for sale under the securities or “Blue Sky” laws of the several states and the preparation of any surveys or memoranda in connection therewith.

In the opinion of Kutak Rock LLP, Bond Counsel, under existing laws, regulations, rulings and judicial decisions and assuming the accuracy of certain representations and continuing compliance with certain covenants, interest on the Bonds (including any original issue discount properly allocable to the Bonds) is excluded from gross income for federal income tax purposes and is neither a specific preference item nor included in adjusted current earnings for purposes of the federal alternative minimum tax. Bond Counsel also is of the opinion that, under existing laws of the State of Nebraska, such interest is exempt from Nebraska state income taxation. See "TAX EXEMPTION" herein.

THE BONDS

General

The Bonds will be issued in the principal amount of \$5,000 or any integral multiple thereof, be dated November 16, 2012 (the “**Dated Date**”), bear interest from the Dated Date payable on May 15 and November 15 of each year, commencing May 15, 2013 (each, and “**Interest Payment Date**”), mature on November 15 in the years and the principal amounts, and bear interest at the rates (calculated on the basis of a 360-day year consisting of twelve, 30-day months) set forth on the inside cover. Each installment of interest is payable by check or draft mailed by First National Bank of Omaha (the “**Registrar**”) on the due date thereof (or on the next business day if such due date falls on a Saturday, Sunday or bank holiday applicable to the Registrar) to the registered owner of any Bond shown on the bond registration records of the District maintained by the Registrar as of the Record Date (hereinafter defined). The principal of each Bond is payable only upon the surrender of such Bond to the Registrar. The “**Record Date**” for each payment of interest shall be the 1st day of each month in which an Interest Payment Date occurs.

Book-Entry System

General. The Depository Trust Company (“**DTC**”) will act as securities depository for the Bonds. The ownership of one fully registered Bond for each maturity, as set forth on the inside cover hereof, each in the aggregate principal amount of such maturity, will be registered in the name of Cede & Co., as DTC’s nominee. Ownership interests in the Bonds will be available to purchasers through a book-entry system maintained by DTC (the “**Book-Entry System**”). A description of DTC, the Book-Entry System and definitions of initially capitalized terms used under this caption are found in “**APPENDIX D - BOOK-ENTRY SYSTEM.**”

Risk Factors. Beneficial Owners of the Bonds may experience some delay in their receipt of distributions of the principal or redemption price of and interest on the Bonds because such distributions will be forwarded by the Registrar to DTC, credited by DTC to its Direct Participants, and then credited to the accounts of the Beneficial Owners either directly or indirectly through Indirect Participants.

Because transactions in the Bonds can only be effected through DTC, DTC Participants and certain banks, the ability of a Beneficial Owner to pledge Bonds to persons or entities that do not participate in the Book-Entry System, or otherwise to take actions in respect of such Bonds, may be limited due to the lack of physical certificates. The Registrar will not recognize Beneficial Owners as registered owners for purposes of the Bond Resolution, and Beneficial Owners will be permitted to exercise the rights of registered owners only indirectly through DTC and DTC Participants.

Optional Redemption

The Bonds are not subject to optional redemption prior to maturity.

Notice and Effect of Call for Redemption.

In the event of mandatory sinking fund redemptions of Bonds, the Registrar will give written notice of redemption by first-class mail to the registered owner of each Bond to be redeemed, such notice to be mailed not fewer than 30 days prior to the redemption date. Notice of redemption having been given as required, the Bonds or portions thereof to be redeemed shall become due and payable on the redemption date and from and after the redemption date (unless the District defaults in the payment of the redemption price) such Bonds or portion thereof shall cease to bear interest.

So long as DTC is effecting book-entry transfers of the Bonds, the Registrar will provide the notices of Bonds to be redeemed to DTC. It is expected that DTC will notify the DTC Participants and that the DTC Participants will notify or cause to be notified the Beneficial Owners. Any failure on the part of DTC or a DTC Participant, or failure on the part of a nominee of a Beneficial Owner of a Bond (having

been mailed notice from the Registrar, a DTC Participant or otherwise) to notify the Beneficial Owner of the Bond so affected, will not affect the validity of the redemption of such Bond.

Interchangeability and Transfer

Each Bond when issued shall be registered by the Registrar in the name of the owner thereof on the Bond Register. Bonds are transferable only upon the Bond Register upon presentation and surrender of the Bonds, together with instructions for transfer. Bonds may be exchanged for Bonds in the same aggregate principal amount and maturity upon presentation to the Registrar, subject to the terms, conditions and limitations set forth in the Bond Resolution and upon payment of any tax, fee or other governmental charge required to be paid with respect to any such registration, transfer or exchange.

In all cases in which the privilege of exchanging or transferring the Bonds is exercised, the District shall execute and the Registrar shall deliver the Bonds in accordance with the Bond Resolution. For every such transfer or exchange of Bonds, the Registrar shall require the payment by the registered owner requesting such transfer or exchange of any tax or other governmental charges payable with respect thereto, and may charge a sum not exceeding the actual cost for each new Bond.

The foregoing procedures will not apply to the Bonds so long as they held are in book-entry form. The transfer and exchange of Bonds held in book-entry form will be governed by the procedures described in **“APPENDIX D - BOOK-ENTRY SYSTEM.”**

SECURITY

The full faith, credit, resources and taxing powers of the District have been irrevocably pledged to the payment of the principal or redemption price of and interest on the Bonds. The District has the power and is obligated to levy ad valorem taxes without limitation as to rate or amount upon all property subject to taxation by the District sufficient to pay the principal or redemption price of and interest on the Bonds, which taxes shall be in excess of and in addition to all other taxes now or hereafter authorized to be levied by the District.

NEBRASKA DEVELOPMENTS RELATED TO BUDGETS AND TAXATION

General

The District’s principal sources of revenue for its general fund are local property taxes and State Aid. Local property taxes constitute the District’s largest revenue sources, but are subject to certain limitations as discussed below. State Aid for each school district is determined annually based on student adjustment weightings and a variety of other factors including taxable valuations and per student costs.

The system of assessing and taxing personal property by the State for purposes of local ad valorem taxation for support of local political subdivisions, including the District, has from time to time been the object of controversy, legal challenges, constitutional initiative petitions and legislative action.

Budget and Levy Limitations

The Nebraska Legislature has imposed budget limitations and property tax levy restrictions on Nebraska political subdivisions, including public school districts, intended to reduce overall property taxes and expenditures in the State. Budget limitations relating to school districts (Section 79-1023 et seq., Reissue Revised Statutes of Nebraska, 2008, as amended, and related sections, the “Budget Limitations”) limit the growth in general fund expenditures for school districts. Property tax levy restrictions provide for an overall limitation on the tax levies of school districts. The Budget Limitations, because they apply only to general fund expenditures, do not limit budgeting of expenditures for debt service on bonded debt, nor do they limit building fund and other special fund expenditures.

Pursuant to Section 79-1023 et seq., Reissue Revised Statutes of Nebraska, 2008, as amended, and related sections, the Nebraska Department of Education determines for each school district its allowable growth percentage. Such percentage is to be calculated with reference to a base limitation set in Section 77-3446, Reissue Revised Statutes of Nebraska, 2009, as amended, at 0.0% for Fiscal Year 2011-12 and 0.5% for Fiscal Year 2012-13, subject to modification from year to year by the Nebraska Legislature and a growth range which is up to 3% above such base limitation. The specific growth percentage for each school district is to be calculated based upon student population, certain cost factors and target budget levels established by the Department of Education.

Under Section 77-3442 et seq., Reissue Revised Statutes of Nebraska, 2009, as amended, and related sections, the rates for levying property taxes have been reduced for each type of governmental unit in the State of Nebraska. The maximum levy (the "Levy Limitations") for school districts, such as the District, that are members of a Learning Community, is set at the difference between (i) \$1.05/\$100 of taxable valuation and (ii) the Learning Community's general fund and special building fund levy. Such Levy Limitations do not apply to levies for bonded indebtedness approved according to law and secured by a levy on property, levies for preexisting lease-purchase contracts approved prior to July 1, 1998, and to levies to pay judgments. Also excluded from the Levy Limitations are amounts to be paid by a school district to certified employees in exchange for voluntary termination of employment and amounts levied to pay for special building funds established for projects commenced prior to April 1, 1996, for construction, expansion or alteration of school district buildings.

Section 77-3444, Reissue Revised Statutes of Nebraska, 2009, as amended, does permit a political subdivision to exceed its otherwise applicable Levy Limitation for a period of up to five years by majority vote of the electorate.

All Levy Limitation exceptions are subject to Section 77-3442(14) which provides that any combined tax levy of a school district in excess of the greater of (a) \$1.20/\$100 of taxable value or (b) the maximum levy authorized by a vote pursuant to Section 77-3444, Reissue Revised Statutes of Nebraska, 2009, as amended, except levies for bonded indebtedness approved by the voters of the school district and levies for the refinancing of such bonded indebtedness, is considered an unauthorized levy pursuant to Section 77-1606, Reissue Revised Statutes of Nebraska, 2009, as amended. However, the District does not expect its combined tax levy, other than any levies to pay voter-approved bonds, to exceed the greater of (a) or (b) above.

As the Bonds are general obligations of the District payable from the special property tax levy authorized by law and approved by the voters of the District, neither the tax levy nor the corresponding expenditures to pay debt service on the Bonds are subject to the Levy Limitations or the Budget Limitations.

There can be no assurance that Nebraska's system of assessing and taxing real and personal property, or that its laws relating to Learning Communities, will remain substantially unchanged, given the possibility of additional legislation, litigation, initiatives and referenda. Such changes could materially and adversely affect the amount of property tax revenues the District could collect in future years. The District does not believe, however, that the Nebraska Legislature, subject to constitutional restrictions, would leave the District without adequate taxing or other resources to pay for its programs and meet its financial obligations, including the repayment of its bonds and other obligations. The opinion of Bond Counsel will be rendered based on the law existing as of the date of issuance of the Certificates and in reliance upon general legal presumptions in favor of the constitutionality of statutes and upon the holdings of existing case law.

School Finances

In Nebraska, School State Aid amounts fluctuate from year to year based upon factors set in the related statutes and possible further Legislative revisions, and the District's State Aid amount could increase or decrease in future years.

In Fiscal Year 2011-12, the District received \$76,468,282 in State Aid. This amount included \$4,411,094 of federal moneys referred to as "EduJobs Funds" that the Nebraska Legislature used to fund its State Aid formula for schools. In Fiscal Year 2012-13, the District will receive \$72,526,676. The State of Nebraska budgets on a biennial basis. In establishing the State's budget for the 2011-13 biennium during its 2011 legislative session, the Legislature appropriated \$880 million for State Aid to schools. During the 2012 legislative session, the Legislature reduced the appropriation to \$852 million and applied the balance to fund other areas of the state budget and to reduce state income taxes.

The District recognizes that further pressure on state revenues may have adverse effects on future levels of State Aid the District receives.

Since Fiscal Year 2009-10, the total State Aid the District receives comes through the Learning Community (the "Learning Community"), an inter-district cooperative of 11 public school districts in Douglas and Sarpy Counties that shares financial resources from both State Aid and property taxes. Member districts of the Learning Community share in the distribution of State Aid as calculated for the Learning Community as a whole. The distribution to each district is based upon its portion of the total "formula needs" calculated for the entire Learning Community pursuant to the statutory State Aid formula.

Additionally, the Learning Community, through Section 79-2104, Reissue Revised Statutes of Nebraska, 2008, as amended, has the authority to annually set a common levy of up to \$0.95. The proceeds of such common levy are distributed to the member districts for their general funds pursuant to the formula provided in Neb. Rev. Stat. § 79-1073. The balance of the tax levy that is permitted under the \$1.05 levy lid discussed under "Budget and Levy Limitations" above may be levied by each individual school district on its own property tax base for general fund or building fund purposes.

Following the formation of the Learning Community and the subsequent sharing of both State Aid and property tax resources by the member districts, the Millard School District found that it has benefited somewhat from the sharing arrangement. The benefit has been calculated to be about \$2 million per year or slightly less than 1% of the District's general fund budget of expenditures.

The property values in the Learning Community and in the Millard School District have been relatively flat in the past few years (i.e., growth of less than 1%), which has limited the increase in property tax collections in the absence of levy increases. This limited growth in property taxes combined with the reduction in State Aid has required the Millard School District to reduce its general fund budget from \$210.7 million in Fiscal Year 2011-12 to about \$208.0 million in Fiscal Year 2012-13. The budget reductions have been primarily addressed through staff reductions via attrition (i.e., not replacing vacancies created by retirements, resignations, etc.) and by reducing the number of routine capital construction projects (i.e. replacing roofs, parking lots, etc.).

Motor Vehicle Taxes

Under existing state law, motor vehicle valuations no longer are included in the District's property tax base. Separate and apart from any ad valorem taxes, counties in the state of Nebraska collect motor vehicles taxes and fees. The county allocates to each school district 60% of the motor vehicle taxes and fees (less a 1% county treasurer collection fee) arising from motor vehicles within the school district. Additionally, school districts are required to deposit such distributions of taxes into their general funds, where they will not be available to repay bonded indebtedness, including the Certificates.

Additional Considerations

The future methods for providing for financing school districts and other local units may be altered depending upon future actions taken by voters of the State under initiative and referendum provisions of the Nebraska constitution, future actions of the Nebraska Legislature and future decisions of Nebraska state and federal courts.

LEGAL MATTERS

Legal Proceedings

As of the date hereof, there is no controversy, suit or other proceeding of any kind pending or threatened in or by which any question is raised or may be raised, questioning, disputing or affecting in any way the legal organization of the District or its boundaries, or the right or title of any of its officers to his or her respective office, or the legality of any official act in connection with the authorization, issuance and sale of the Bonds, or the constitutionality or validity of the Bonds or any of the proceedings had in relation to the authorization, issuance or sale thereof, or the levy and collection of a tax to pay the principal and interest thereof, or which might affect the District's ability to meet its obligations to pay the Bonds.

Legal Opinion

Legal matters incident to the issuance of the Bonds and with regard to the status of the interest thereon are subject to the legal opinion of Kutak Rock LLP, Omaha, Nebraska, Bond Counsel. A signed copy of that opinion for the Bonds, dated and premised on facts and laws existing as of the date of original delivery of the Bonds, will be delivered to the Underwriter at the time of such original delivery. In rendering its legal opinions, Bond Counsel will rely upon certifications and representations of fact to be contained in the transcript of proceedings which Bond Counsel will not have independently verified.

In its capacity as Bond Counsel, Kutak Rock LLP has participated in the preparation of, and has reviewed those portions of, this Official Statement pertaining to the Bonds, and the tax status of the interest on the Bonds contained under the captions "**THE BONDS**," "**SECURITY**" and "**TAX EXEMPTION**" herein. Said firm has not been retained to pass upon any other information in this Official Statement, including Appendix A, Appendix B or in any other reports, financial information, offering or disclosure documents or other information pertaining to the District or the Bonds that may be prepared or made available by the District or others to the prospective purchasers of the Bonds or to others.

Original Issue Discount

The Bonds maturing in the years ____ through ____, inclusive (collectively, the "Discount Bonds") are being sold at an original issue discount. The difference between the initial public offering prices, as set forth on the reverse of the cover page, of such Discount Bonds and their stated amounts to be paid at maturity constitutes original issue discount treated as interest which is excluded from gross income for federal income tax purposes, as described above.

The amount of original issue discount which is treated as having accrued with respect to such Discount Bond is added to the cost basis of the owner in determining, for federal income tax purposes, gain or loss upon disposition of such Discount Bond (including its sale, redemption or payment at maturity). Amounts received upon disposition of such Discount Bond which are attributable to accrued original issue discount will be treated as tax exempt interest, rather than as taxable gain, for federal income tax purposes.

Original issue discount is treated as compounding semiannually, at a rate determined by reference to the yield to maturity of each individual Discount Bond, on days which are determined by reference to the maturity date of such Discount Bond. The amount treated as original issue discount on such Discount Bond for a particular semiannual accrual period is equal to the product of (i) the yield to maturity for such

Discount Bond (determined by compounding at the close of each accrual period) and (ii) the amount which would have been the tax basis of such Discount Bond at the beginning of the particular accrual period if held by the original purchaser, less the amount of any interest payable for such Discount Bond during the accrual period. The tax basis is determined by adding to the initial public offering price on such Discount Bond the sum of the amounts which have been treated as original issue discount for such purposes during all prior periods. If such Discount Bond is sold between semiannual compounding dates, original issue discount which would have been accrued for the semiannual compounding period for federal income tax purposes is to be apportioned in equal amounts among the days in such compounding period.

Owners of Discount Bonds should consult their tax advisors with respect to the determination and treatment of original issue discount accrued as of any date and with respect to the state and local tax consequences of owning a Discount Bond.

Original Issue Premium

The Bonds maturing in the years ____ through ____, inclusive, and ____ (collectively, the “Premium Bonds”), are being sold at a premium. An amount equal to the excess of the issue price of a Premium Bond over its stated redemption price at maturity constitutes premium on such Premium Bond. An initial purchaser of a Premium Bond must amortize any premium over such Premium Bond’s term using constant yield principles, based on the purchaser’s yield to maturity (or, in the case of Premium Bonds callable prior to their maturity, by amortizing the premium to the call date, based on the purchaser’s yield to the call date and giving effect to the call premium). As premium is amortized, the purchaser’s basis in such Premium Bond is reduced by a corresponding amount resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser’s basis may be reduced, no federal income tax deduction is allowed. Purchasers of Premium Bonds should consult with their tax advisors with respect to the determination and treatment of amortizable premium for federal income tax purposes and with respect to the state and local tax consequences of owning a Premium Bond.

TAX EXEMPTION

In General

In the opinion of Kutak Rock LLP, Bond Counsel, to be delivered at the time of original issuance of the Bonds, under existing laws, regulations, rulings and judicial decisions, interest on the Bonds (including any original issue discount properly allocable to the Bonds) is excludable from gross income for federal income tax purposes. Bond Counsel is also of the opinion that such interest is neither a specific preference item nor included in adjusted current earnings for purposes of the federal alternative minimum tax. The opinions described in the preceding sentences assumes the accuracy of certain representations and compliance by the District with covenants designed to satisfy the requirements of the Code that must be met subsequent to the issuance of the Bonds. Failure to comply with such requirements could cause interest on the Bonds to be included in gross income for federal income tax purposes retroactive to the date of issuance of the Bonds. The District has covenanted to comply with such requirements. Bond Counsel has expressed no opinion regarding other federal tax consequences arising with respect to the Bonds.

The accrual or receipt of interest on the Bonds may otherwise affect the federal income tax liability of the owners of the Bonds. The extent of these other tax consequences will depend upon such owner’s particular tax status and other items of income or deduction. Bond Counsel has expressed no opinion regarding any such consequences. Purchasers of the Bonds, particularly purchasers that are corporations (including S corporations and foreign corporations operating branches in the United States), property or casualty insurance companies, banks, thrifts or other financial institutions, certain recipients of social security or railroad retirement benefits, taxpayers otherwise entitled to claim the earned income credit, or taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-

exempt obligations, should consult their tax advisors as to the tax consequences of purchasing or owning the Bonds.

In the further opinion of Bond Counsel, under the existing laws of the State of Nebraska, the interest on the Bonds is exempt from Nebraska state income taxation so long as it is exempt for purposes of the federal income tax. See “**APPENDIX E – FORM OF OPINION OF BOND COUNSEL.**”

Backup Withholding

As a result of the enactment of the Tax Increase Prevention and Reconciliation Act of 2005, interest on tax-exempt obligations such as the Bonds is subject to information reporting in a manner similar to interest paid on taxable obligations. Backup withholding may be imposed on payments made after March 31, 2007 to any bondholder who fails to provide certain required information including an accurate taxpayer identification number to any person required to collect such information pursuant to Section 6049 of the Code. The reporting requirement does not in and of itself affect or alter the excludability of interest on the Bonds from gross income for federal income tax purposes or any other federal tax consequence of purchasing, holding or selling tax-exempt obligations.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to above or adversely affect the market value of the Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Bonds or the market value thereof would be impacted thereby. Purchasers of the Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Bonds and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any pending legislation, regulatory initiatives or litigation.

MISCELLANEOUS

Ratings

Moody’s Investors Service has assigned the Bonds the rating of “___” and Standard & Poor’s, a division of The McGraw-Hill Companies, has assigned the Bonds the rating of “___”. Such ratings reflect only the views of such organizations and an explanation of the significance of such ratings may be obtained from Moody’s Investors Service, 7 World Trade Center, 250 Greenwich Street, 23rd Floor, New York, New York 10007, telephone (212) 553-0300, and Standard & Poor’s Ratings Services, 55 Water Street, New York, New York, 10041, telephone (212) 438-2124.

Generally, rating agencies base their ratings on such information and materials and investigations, studies and assumptions furnished to and obtained and made by the rating agencies. The debt ratings are not a recommendation to purchase, sell or hold a security, inasmuch as they do not comment as to market price or suitability for a particular investor. There is no assurance that the above ratings will remain for any given period of time or that they may not be lowered, suspended or withdrawn entirely by either or both rating services if they deem circumstances are appropriate. Any downward change in, suspension or withdrawal of either or both ratings may have an adverse effect on the market price of the Bonds.

Continuing Disclosure

In connection with the issuance of the Bonds, the District will execute and deliver a Continuing Disclosure Certificate (the “**Disclosure Certificate**”), pursuant to the requirements of Securities and Exchange Commission Rule 15c2-12 (the “**Rule**”) under which the District will send certain financial information and operating data and provide notice of certain material events to the Municipal Securities Rulemaking Board (the “**MSRB**”) through the MSRB’s Electronic Municipal Market Access system (“**EMMA**”). EMMA is an internet-based, online portal for free investor access to municipal bond information, including offering documents, material event notices, real-time municipal securities trade prices and MSRB education resources, available at www.emma.msrb.org. Nothing contained on EMMA relating to the Bonds is incorporated by reference in this Official Statement. The proposed form of the Disclosure Certificate is included in this Official Statement as “**APPENDIX C – FORM OF CONTINUING DISCLOSURE CERTIFICATE.**”

The District inadvertently did not file timely certain of its annual financial information and operating data for the years 2010 and 2011, as required under the Rule and the District’s previous continuing disclosure undertakings. In accordance with the Rule and such undertakings, the District filed a material event notice on June 21, 2012, including its annual financial information and operating data, with the Municipal Securities Rulemaking Board’s EMMA website to such effect. The District is now in compliance with all of its existing continuing disclosure undertakings in all material respects and has implemented procedures in furtherance of its future compliance with the Rule.

A failure by the District to comply with the Disclosure Certificate will not constitute a default under the Resolution, although bondholders will have any available remedy at law or in equity. Any such failure must be reported in accordance with the Rule and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale of the Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Bonds and their market price.

Financial Advisor

D.A. Davidson & Co. has acted as financial advisor (the “**Financial Advisor**”) to the District in connection with the sale of the Bonds. The Financial Advisor will not be a manager or a member of any purchasing group submitting a proposal for the purchase of the Bonds. The Financial Advisor has read and participated in the preparation of this Official Statement and has supervised the compilation and editing thereof. The Financial Advisor has not, however, independently verified the factual and financial information contained in this Official Statement and, accordingly, expresses no view as to the sufficiency or accuracy thereof.

Independent Auditors

The financial statements of the District, as of and for the years ended August 31, 2011, included in “**APPENDIX B – INDEPENDENT AUDITORS’ REPORT AND FINANCIAL STATEMENTS,**” have been audited by Orizon CPAs LLC, independent auditors, as stated in their report appearing therein.

Certification and Other Matters Regarding Official Statement

Information set forth in this Official Statement has been furnished or reviewed by certain officials of the District, certified public accountants, and other sources, as referred to herein, which are believed to be reliable. Any statements made in this Official Statement involving matters of opinion, estimates or projections, whether or not so expressly stated, are set forth as such and not as representations of fact, and no representation is made that any of the estimates or projections will be realized.

Simultaneously with the delivery of the Bonds, the Superintendent of the District, acting on behalf of the District, will furnish to the Underwriter a certificate stating, among other things, that to the best

knowledge and belief of such officer, this Official Statement (and any amendment or supplement hereto) as of the date of sale and as of the date of delivery of the Bonds does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements herein, in light of the circumstances under which they were made, not misleading in any material respect.

The District will, upon delivery of the Bonds, certify that there is no litigation pending affecting the validity of the Bonds as of the date of delivery.

The form of this Official Statement, and its distribution and use by the Underwriter, has been approved by the District. Neither the District nor any of its officers, directors or employees, in either their official or personal capacities, has made any warranties, representations or guarantees regarding the financial condition of the District or the District's ability to make payments required of it; and further, neither the District nor its officers, directors or employees assumes any duties, responsibilities or obligations in relation to the issuance of the Bonds other than those either expressly or by fair implication imposed on the District by the Bond Resolution.

APPENDIX A
INFORMATION CONCERNING THE DISTRICT

APPENDIX A
INFORMATION CONCERNING THE DISTRICT

GENERAL INFORMATION

The District is located in the southwestern portion of the City of Omaha and in adjacent Sarpy County, Nebraska within the Omaha metropolitan area, approximately ten miles from the Omaha central business district. District officials estimate that at present the population is approximately 125,000. The District encompasses approximately thirty-five square miles (22,400 acres) and is the third largest school district in Nebraska (the “State”) with 22,676 students as of the beginning of the 2012-13 school year. The District operates twenty-four elementary schools, six middle schools and three senior high schools. The District has been accredited by the State Department of Education with a rating of “AA,” the highest rating given by the Department. All of the schools in the District have been accredited by the North Central Association of Colleges and Schools.

The District’s boundaries were coterminous with the city limits of the former City of Millard, Nebraska in 1957, when reorganization of the District was initiated. In 1959, reorganization was completed and seven rural districts joined the District. Despite the annexation of the City of Millard by the City of Omaha in 1971, the District remains a separate and independent unit. The following table illustrates the growth of the District.

Area Economy

The economic viability of the Millard School District is tied closely to the general economy of the City of Omaha.

City of Omaha—General Information

*The following information about the City of Omaha, Nebraska is excerpted from previous City of Omaha Official Statements and is included because the District is located within the City's boundaries and in the surrounding metropolitan area. **The Series 2012 Bonds are not a debt of, nor are they payable by, the City of Omaha.***

Location and General Background. Omaha, founded in 1854, is the largest city in the State of Nebraska. Omaha is the hub of a vast transportation network leading to all parts of the nation and thus offers significant advantages to business and industry competing in regional and national markets. This fact is substantiated by the growth of population, employment and income during recent years.

Area and Population. The U.S. Census Bureau in the 2010 Census reported the population of the eight-county Omaha Metropolitan Statistical Area (“MSA”), comprising five Nebraska counties and three Iowa counties, numbered 865,350 with over 1.1 million within a 60-minute drive. The 2011 population estimate from the U.S. Census Bureau of the City of Omaha is approximately 416,855 and their estimate for the MSA is 881,493.

Transportation. Nearly 4.2 million passengers, over 94 million pounds of cargo and over 50 million pounds of mail passed through Eppley Airfield, Omaha's principal airport, in 2011. In the last decade, Eppley Airfield has made over \$110 million in investments in terminal, apron, cargo area and runway expansions. Eppley Airfield offers between 150 and 170 flights per day and is serviced by eight national air carriers (recent mergers within the industry may change the number), 11 regional airlines, seven air freight carriers and two full-service general aviation facilities. A total of 129 general aviation aircraft, including 34 executive jets, are based at Eppley Airfield. There are 90 departures out of Eppley Airfield daily.

Omaha is general headquarters for the Union Pacific Railroad. The Burlington Northern Santa Fe and the Canadian National railroads also provide service and combine to make Omaha an important rail center.

Two interstate highways (Interstate 80 and Interstate 29), five federal highways and seven state highways provide fast all-weather routes within Nebraska and to and from the rest of the nation. In addition, Interstate 480 (downtown spur) and Interstate 680 (circumferential route) provide quick access to all parts of the metropolitan area.

More than 100 motor common carriers haul freight to and from Omaha and all parts of the nation, making Omaha a major Midwestern trucking center. Several bus lines operate between Omaha and points in Iowa, Illinois and Nebraska.

Utility Services. Residential, commercial and industrial electric service rates in Omaha historically have been below the national averages, according to reports of the Edison Electric Institute in its *Statistical Yearbook of the Electrical Utility Industry*. In addition to low rates, the Omaha Public Power District, a Nebraska political subdivision, assures its customers ample power with a net generating capability of 3,222.7 megawatts.

The Metropolitan Utilities District (“MUD”), a Nebraska political subdivision, distributes natural gas and water in the Omaha area. Rates compare favorably with those prevailing in other metropolitan areas in the nation. Omaha has a plentiful water supply (Missouri River and Platte River wells) and a

water system designed to the standards of the National Board of Fire Underwriters, with a current capacity of 334 million gallons a day. MUD's supply of natural gas is purchased wholesale from up to twenty different suppliers. This supply is supplemented with peak-shaving storage facilities which can provide up to approximately 30% of peak demand. There have been no interruptions of natural gas service to firm commercial and residential customers and no interruptions are expected in the foreseeable future.

Education. Omaha is an important educational center and is the location of Creighton University, the University of Nebraska at Omaha and the University of Nebraska Medical Center. These institutions, together with three additional colleges located in Omaha, offer educational programs at the graduate and undergraduate levels, in law and in the health professions: medicine, dentistry, nursing and pharmacy.

Health Services. There are 13 hospitals within the City of Omaha, six of them classified as acute-care community hospitals. Of the remaining seven hospitals, two are acute-care hospitals operated by governmental entities (one by the State of Nebraska and one by Douglas County), four are specialized hospitals (pediatrics, maternity care, geriatrics and psychiatry) and one is a major hospital of the Veterans Administration. There are more than 1,200 physicians and more than 300 dentists in Omaha; their services are utilized both by Omaha residents and by persons within the surrounding region.

Military. The United States Strategic Command ("USSTRATCOM") is headquartered at Offutt Air Force Base, just south of Omaha. The missions of U.S. Strategic Command are: to deter attacks on U.S. vital interests, to ensure U.S. freedom of action in space and cyberspace, to deliver integrated kinetic and non-kinetic effects to include nuclear and information operations in support of U.S. Joint Force Commander operations, to synchronize global missile defense plans and operations, to synchronize regional combating of weapons of mass destruction plans, to provide integrated surveillance and reconnaissance allocation recommendations to the Secretary of Defense, and to advocate for capabilities as assigned. The estimated economic impact of Offutt Air Force Base on the Greater Omaha community is more than \$1.8 billion.

Economy. From an economy founded on the livestock industry in the late nineteenth century, Omaha is a major grain exchange market in the United States. Food processing is also an important part of the economy and is represented by such companies as ConAgra Foods, Inc., Kellogg Company and Omaha Steaks International.

The geographic centrality of Omaha in the United States has encouraged commercial development, and the City is home to five Fortune 500 companies, which represent a diverse array of industries: Berkshire Hathaway, ConAgra Foods, Inc., Mutual of Omaha, Peter Kiewit Sons', Inc. and Union Pacific Corp. The City's economy continues to diversify, although it still remains agriculturally oriented. The Omaha MSA contains more than 650 manufacturing plants, including plants operated by Lozier Corporation and Valmont Industries Inc. In the early 1980s, Omaha began developing as a major participant in the reservation, customer service and direct-response center industry. Currently, there are 50 such firms located within the City. In total they employ a labor force in excess of 40,000. Major employers in this group include First Data Corporation, Oriental Trading Co., Inc., West Corporation, PayPal, Marriott Worldwide Reservation Center and Omaha Steaks. Omaha is the home of Peter Kiewit Sons', Inc., one of the largest construction and mining organizations in North America, TD Ameritrade, a major discount stock brokerage firm, and 21 insurance companies (with over 50 employees each), including Mutual of Omaha, the world's largest mutual health and accident company, and Woodmen of the World Life Insurance Society, the largest fraternal life insurance company. In December of 2011 meatpacking employment in the Omaha MSA numbered 6,900. The district offices of the Farm Credit System for Nebraska, Iowa, South Dakota and Wyoming are headquartered in Omaha.

The City is economically attractive to potential residents. The cost of living in the City in the third quarter of 2011 across all categories was 89.4% of the national average. Omaha MSA residents enjoy a median household income of \$57,901 – over 8% higher than the national average. The June 2012

seasonally adjusted unemployment rate for the Omaha MSA was 4.2%, compared with 8.2% for the United States.

NEBRASKA SCHOOL EMPLOYEES RETIREMENT SYSTEM

Pursuant to the School Employees Retirement Act, Sections 79-901 to 79-977.01, Reissue Revised Statutes of Nebraska, as amended, a retirement system for the purpose of providing retirement allowances or other benefits for the school employees of the State of Nebraska is in effect. The school employees retirement system originally became effective July 1, 1945 under a predecessor statute.

Nebraska law requires annual state deposits equal to normal costs and further requires level annual payments by the State to fund, by no later than January 1, 1994, the current unfunded accrued liabilities of the System.

Section 79-975, Reissue Revised Statutes of Nebraska, as amended, requires school district deposits equal to a uniform percentage of school employee contributions. Under this plan, appropriations to meet any unfunded accrued liability, as noted above, are the responsibility of the State of Nebraska, rather than of individual school districts.

If any provision of this Disclosure Certificate is amended or waived, the District shall describe such amendment or waiver in the next Annual Report and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the District. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 6, and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 10. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the District from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the District chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the District shall have no obligation under this Bond to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 11. Default. In the event of a failure of the District to comply with any provision of this Disclosure Certificate, any Holder or Beneficial Owner of the Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District, as the case may be, to comply with its obligations under this Disclosure Certificate. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Resolution, and the sole remedy under this Disclosure Certificate in the event of any failure of the District to comply with this Disclosure Certificate shall be an action to compel performance.

Section 12. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the District, the Participating Underwriter and the Holders and Beneficial Owners from time to time of the Bonds, and shall create no rights in any other person or entity.

APPENDIX D
BOOK-ENTRY SYSTEM

APPENDIX D

BOOK-ENTRY SYSTEM

The Bonds are available in book-entry only form and beneficial ownership interests therein may be purchased in the principal amount of \$5,000 or any integral multiple thereof. Purchasers of the Bonds will not receive certificates representing their interests in the Bonds.

The following information concerning The Depository Trust Company (“DTC”), New York, New York and DTC’s book-entry system has been obtained from sources the District believes to be reliable. However, the District takes no responsibility as to the accuracy or completeness thereof and neither the Indirect Participants nor the Beneficial Owners should rely on the following information with respect to such matters, but should instead confirm the same with DTC or the Direct Participants, as the case may be. There can be no assurance that DTC will abide by its procedures or that such procedures will not be changed from time to time.

The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Series 2012 Bonds. The Series 2012 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2012 Bond certificate will be issued for each separate maturity of the Series 2012 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world’s largest depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participant’s accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of the Series 2012 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2012 Bonds on DTC’s records. The ownership interest of each actual purchaser of each Series 2012 Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2012 Bonds are to be accomplished by entries made on the books of

Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2012 Bonds, except in the event that use of the book-entry system for the Series 2012 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2012 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2012 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2012 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2012 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2012 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the documents relating to the Series 2012 Bonds. For example, Beneficial Owners of Series 2012 Bonds may wish to ascertain that the nominee holding the Series 2012 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2012 Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2012 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District (or the Registrar) as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2012 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, principal, and interest payments on the Series 2012 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Registrar, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Registrar or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, principal, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Registrar (from funds provided by the District), disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2012 Bonds at any time by giving reasonable notice to the District or the Registrar. Under such circumstances, in the

event that a successor depository is not obtained, certificates for the Series 2012 Bonds are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, certificates for the Series 2012 Bonds will be printed and delivered to DTC.

The information under this subcaption concerning DTC and DTC's book-entry system has been obtained from sources that the District believes to be reliable, but the District takes no responsibility for the accuracy thereof.

The District and the Registrar will not have any responsibility or obligation to Participants, to Indirect Participants or to any Beneficial Owner with respect to (i) the accuracy of any records maintained by DTC, any Direct Participant or any Indirect Participant; (ii) the payment by DTC or any Direct Participant or Indirect Participant of any amount with respect to the principal or redemption price of or interest on the Series 2012 Bonds; (iii) any notice which is permitted or required to be given to bondholders under the Resolution; (iv) the selection by DTC or any Direct or Indirect Participant of any person to receive payment in the event of a partial redemption of the Series 2012 Bonds; or (v) any consent given or other action taken by DTC as Bondholder.

The information included under this subcaption, other than in this paragraph, the preceding paragraph hereof and the first two full paragraphs under this subcaption, has been provided by DTC. No representation is made by the District or the Registrar as to the accuracy or adequacy of such information provided by DTC or as to the absence of material adverse changes in such information subsequent to the date hereof. The Beneficial Owners of the Series 2012 Bonds will rely on DTC Participants or Indirect Participants for timely payments and other notices and for otherwise making available to the Beneficial Owners the rights of a bondholder. No assurances can be given, in the event of the bankruptcy or insolvency of DTC or the Direct Participant or Indirect Participant through which a Beneficial Owner holds beneficial interest in the Series 2012 Bonds, that payment will be made by DTC, the Direct Participant or the Indirect Participant on a timely basis.

FORM OF OPINION OF BOND COUNSEL

_____, 2012

Board of Education
 Douglas County School District 017
 in the State of Nebraska
 Omaha, NE 68137

\$ _____
 Douglas County School District 017,
 In the State of Nebraska
 (Millard Public Schools)
 General Obligation Refunding Bonds
 Series 2012

Ladies and Gentlemen:

We have acted as Bond Counsel in connection with the issuance and sale by the Douglas County School District 017, in the State of Nebraska (Millard Public Schools) of \$ _____ aggregate principal amount of General Obligation Refunding Bonds, Series 2012 (the "Bonds"). The Bonds are issuable as fully registered Bonds without coupons dated as of the date hereof in the denomination of \$5,000 or any integral multiple thereof, bearing interest payable semiannually on May 15 and November 15 of each year, commencing May 15, 2013, at the rates per annum set forth in the schedule below and maturing serially or as term bonds in numerical order on each of the dates and in the principal amounts as follows:

Date (November 15)	Amount Maturing	Interest Rate
2013	\$	%
2014		
2015		
2016		
2017		
2018		

The Bonds are not subject to redemption in advance of the respective maturities thereof at the option of the District. The Bonds recite that they are issued by the District to finance the cost of refunding certain outstanding general obligation indebtedness of the District, under and pursuant to and in full conformity with the Constitution and Statutes of the State of Nebraska, and pursuant to and in full compliance with the proceedings of the Board of Education of the District duly enacted and adopted.

The District has covenanted in the resolution pursuant to which the Bonds have been issued (the "Resolution") to comply with all necessary provisions of the Internal Revenue Code of 1986, as amended (the "Code"), to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes. Noncompliance by the District with such restrictions may cause the interest on the Bonds to be subject to federal income taxation retroactive to their date of issue.

We have examined the Constitution and Statutes of the State of Nebraska, certified copies of proceedings of the Board of Education of the District authorizing the issuance of the Bonds and an executed bond of said issue.

In our opinion the Bonds have been authorized and issued in accordance with the Constitution and Statutes of the State of Nebraska and constitute valid and legally binding obligations of the District, and the District has the power and is obligated to levy ad valorem taxes for the payment of the Bonds and the interest thereon upon all the property within the District subject to taxation by the District without limitation as to rate or amount.

The rights of the owners of the Bonds and the enforceability thereof may be subject to valid bankruptcy, insolvency, reorganization, moratorium and other laws for the relief of debtors.

It is also our opinion that, assuming compliance by the District with the covenant referred to in the third paragraph of this letter, the interest on the Bonds, including any original issue discount properly allocable to an owner thereof, is excluded from gross income for federal income tax purposes and is neither a specific preference item nor included in adjusted current earnings for purposes of the federal alternative minimum tax imposed on individuals and corporations. Interest on the Bonds, however, must be included in the "adjusted current earnings" of certain corporations (i.e., alternative minimum taxable income as adjusted for certain items, including those items that would be included in the calculation of a corporation's earnings and profits under Subchapter C of the Code) and such corporations are required to include in the calculation of alternative minimum taxable income 75% of the excess of each such corporation's adjusted current earnings (which includes tax-exempt interest) over its alternative minimum taxable income (determined without regard to this adjustment and prior to reduction for certain net operating losses).

The accrual or receipt of interest on the Bonds may otherwise affect the federal income tax liability of the recipient. The extent of these other tax consequences will depend upon the recipient's particular tax status or other items of income or deduction. We express no opinion regarding any such consequences. Purchasers of the Bonds, particularly purchasers that are corporations (including S corporations and foreign corporations operating branches in the United States), property or casualty insurance companies, banks, thrifts or other financial institutions or certain recipients of Social Security or Railroad Retirement benefits, taxpayers otherwise entitled to claim the earned income credit or taxpayers who may be deemed to have

_____, 2012
Page 3

incurred (or continued) indebtedness to purchase or carry tax-exempt obligations are advised to consult their tax advisors as to the tax consequences of purchasing or holding the Bonds.

It is further our opinion that, under the existing laws of the State of Nebraska, interest income on the Bonds is exempt from Nebraska state income taxation as long as it is exempt for purposes of the federal income tax.

The scope of our engagement has not extended beyond the examinations and the rendering of the opinions expressed herein. Our engagement with respect to the transaction referred to herein terminates upon the date of this letter. We assume no obligation to review or supplement this letter subsequent to its date, whether by reason of a change in current laws, by legislative or regulatory action, by judicial decision or for any other reason.

This opinion is based solely upon existing federal and State of Nebraska laws, regulations, rulings and judicial decisions. We express no opinion as of any subsequent date or with respect to any pending legislation.

Very truly yours,

SUMMER SCHOOL PROGRAM CONSIDERATIONS AND RECOMMENDATIONS

- The decrease in out-of district may be contributed to the increase in tuition in 2011.
- 55 Elementary students attended Summer School in June and the Elementary Learning Center in July.
- The elementary program had 604 enrollments and used every available classroom space at Neihardt, including the multi-purpose room and small rooms for band and strings. It will be necessary to select future locations purposefully. It may be appropriate to explore the option of using two elementary sites.
- In 2012 credit cards were accepted for tuition payments through a company called RevTrak.
 - 882 courses were purchased, 48% of all 1,855 courses taken in 2012.
 - The amount collected \$97,935.00

Less 3.49%	<u>\$3,971.71</u>
Total Credit Card income	\$93,963.29
 - 53% of all tuition paid was through credit card payments.
- With the popularity of credit card payments, it would be beneficial to explore the possible connections between RevTrak and IC in terms of on-line registration.

INTRODUCTION

The American College Test (ACT) and the Scholastic Aptitude Test (SAT I) are widely used college admissions tests that are typically taken by high school juniors and seniors. Both tests measure skills that students have learned in high school and that they will need for academic success in college.

ACT

The ACT is a 2 hour and 55 minute test that includes 215 questions. In 1989 a revised version of the ACT was introduced which reflected the changes in high school curriculum. The old test included the four areas of English, mathematics, social studies, and natural science. The new ACT Assessment includes:

English
75 items/45 minutes

Mathematics
60 items/60 minutes

Reading
40 items/35 minutes

Science Reasoning
40 items/35 minutes

In addition, students receive subtest scores for each of the four tests.

The ACT Writing Test, which measures skill in planning and writing a short essay, is optional.

The ACT standard score scale ranges from 1 to 36.

SAT

The SAT is a 4 hour mixed method test that includes written response as well as multiple-choice questions that measure developed verbal and mathematical reasoning abilities as well as writing. The SAT scores are intended to supplement the secondary school record and other information about the student in assessing readiness for college-level work. Student performance on the SAT is reported on a scale of 200 to 800 on each sub-test.
