**SERVE-SAFE CERTIFICATION:**

Managers and Leads will be required to achieve ServSafe® Certification.

**PAID LEAVE:**

Each employee shall earn paid leave equal to 5% of the hours normally scheduled in the bi-weekly pay period, and further be allowed any unused and accumulated leave from the previous year to a maximum total of 336 hours of leave with pay. Paid leave will be credited at the end of each bi-weekly pay period during the school year. The maximum number of hours of paid leave which may be earned by each employee during a school year is eighteen times the number of hours earned in a single bi-weekly pay period (90% of the hours normally scheduled in a normal bi-weekly pay period). Example: An employee normally

scheduled for 8 hours per day (80 hours per bi-weekly pay period) shall earn 4 hours of paid leave with each bi-weekly pay period and may earn up to a maximum of 72 hours in one school year.

Each twelve-month employee shall earn paid leave at a rate of 8 hours per month (accumulated to a maximum of 736 hours).

Paid leave shall only be used for personal illness, illness or death of a member of the employee's immediate family, and business and emergency leave, or qualifying Family Medical Leave. The rules for use of paid and unpaid leave are established in Board Policy and Rule.

Upon termination of employment, the District shall pay to any employee covered by this agreement \$11.00 for half of the employee's unused paid leave hours in excess of 40 hours. No payment shall be made for the first 40 hours of unused paid leave.

In November, each employee who is actively employed by the District and who, as of the beginning of said pay period, has unused paid leave in excess of 250 hours (640 hours for twelve-month employees) shall be reimbursed for those excess hours at the rate of \$11.00/hr. The employee's leave accumulation shall then be reduced to 250 hours (640 hours for twelve-month employees) at the beginning of this November pay period. The procedures for payment of the reimbursement shall be established by the District.

#### **VACATION:**

Each twelve-month employee shall receive vacation at a rate of 3.33 hours bi-weekly (accrued to a maximum of 80 hours).

#### **HOLIDAYS:**

Each twelve-month employee shall receive 10 paid holidays. All other food service employees shall receive seven (7) paid holidays. The employee will be given the same amount of time off with pay as equal to the hours scheduled to be worked had the day not been a holiday.

In order to be eligible for holiday pay, an employee must:

- (1) be employed by the District twenty (20) working days immediately prior to the holiday to be eligible for holiday pay, provided that the twenty (20) working days prior to Labor Day may include working days immediately prior to the end of the previous school year; and
- (2) have worked his or her normally scheduled hours on both his or her regularly scheduled work days immediately preceding the holiday and on his or her regularly scheduled work day immediately following the holiday, unless he or she has been excused by the District for reason of illness or some other good cause.

#### **HOURS OF WORK:**

Each employee shall be paid for each hour or fraction thereof the employee works. Each employee required to work more than forty (40) hours in one week shall be compensated for such additional time at the rate of one and one-half of his or her normal hourly rate. Hours worked per week shall include paid holidays, and approved paid leave. Each employee is to work those hours as requested by his or her supervisor as approved by the Human Resources Office. Hours worked are to be recorded accurately by the employee.

#### **INSURANCE:**

Each employee who is regularly scheduled to work at least 20 hours per week or more shall be eligible to participate in the Health, Dental, and Life insurance Plans provided by the District subject to the following conditions: The District shall pay sixty percent (60%) of the annual District provided health insurance premium amounts for full-time teachers; provided, the eligible employee elects participation and agrees to pay, and does pay, the remainder of the elected health premium. Each food service employee who is employed 12 months per year and works at least 40 hours a week (full time) shall be eligible for the same amount of the annual District provided health insurance premium amounts for full-time teachers; provided, the eligible employee elects participation and agrees to pay, and does pay, the remainder of the elected health premium. For each employee who voluntarily participates in the wellness plan and meets the criteria in the wellness plan in the prior year, the District shall pay an additional premium incentive designed by the District. Any newly hired employee may not be entitled to receive the additional premium incentive until the following year based on participation in the wellness plan.
