## High School High Ability Learner Program

**II. Building Level Service:** This level of service consists of programs offered to students at the building level. These can include clubs, contests, and competitions. These opportunities may vary per high school, but could include some of the following:

Art Club  
Chamber Orchestra  
Computer Science and Econ Club  
French Club  
Delta Epsilon Phi National Honor Society  
for High School Students of German  
German Club  
Go Club  
HOSA  
Interact Club

Key Club  
Literary Club/Writing Club  
Math Club (competition teams)  
National Honor Society  
Puzzle Club  
Robotics Team  
Science Olympiad  
Spanish Club  
Spanish National Honor Society

**III. Classroom Level Service:** This level of service is provided in the classroom in a heterogeneous environment. Differentiation is an approach to planning and teaching that addresses the needs of all learners. Differentiation involves varied approaches to curriculum, instruction and assessment. Educators adapt content (what is taught), process (how it is taught), and product (what the student does) to the unique learning needs, readiness, interest and learning style of each student.
